REMARKS

An Examiner's Interview Summary Record (PTO-413) was attached with the Office
Action final dated November 30, 2010. The Interview Summary indicates that the interview was
conducted on November 17, 2009, however, the Examiner-initiated Interview was conducted on
November 13, 2009.

During the interview, the parties discussed the rejection of claim 1 over Inoue.
Specifically, the parties discussed the "means for" function relating to detecting an abnormality
recited in claim 1. The Examiner took the position that the means for detecting an abnormality

Respectfully submitted,
